

Showcase Info

The Next Step Dance Studio has several performance opportunities throughout the year.

- **Mini Holiday Showcase**
 - Dancers/Tumblers in the 18m-3 year old classes learn short dances to holiday music during the Fall session. The last week of classes we invite family and friends to come watch the dancers/tumblers perform their dance.
- **Studio 4 Competitive Team Showcase**
 - Dancers on the 1/2 year, Mini, Competitive/Performance, & Pre-Pro teams perform solos, group dances, duets and trios at a Winter Team Showcase in early January.
- **NSDS Premiere Ballet Co.**
 - Dancers and recreational students perform a well known Ballet at our Spring Ballet Performance in April.
- **Mini Spring Showcase**
 - Dancers/Tumblers in the 18m-3 year old classes learn dances to themed music during the Winter/Spring session. They perform the dances on stage at Heartland Community College's Astroth Theatre in May.
 - Because a big stage, with lights and a large audience can be intimidating, we like to offer our little's a more intimate showcase.
- **End of Year Spring Showcase**
 - All classes ages 4 & Up, Studio 4 and NSDS Ballet Co. perform in our end of year Spring Showcase the first weekend of June.
